

§ 79.9

(b) The Secretary establishes a date for mailing or hand-delivering comments under paragraph (a) of this section using one of the following two procedures:

(1) If the comments relate to continuation award applications, the Secretary notifies each applicant and each State Single Point of Contact (SPOC) of the date by which SPOC comments should be submitted.

(2) If the comments relate to applications for new grants, the Secretary establishes the date in a notice published in the FEDERAL REGISTER.

(c) This section also applies to comments in cases in which the review, coordination, and communication with the Department have been delegated.

(d) Applicants for programs and activities subject to Section 204 of the Demonstration Cities and Metropolitan Act shall allow areawide agencies a 60-day opportunity for review and comment.

§ 79.9 How does the Secretary receive and respond to comments?

(a) The Secretary follows the procedure in § 79.10 if:

(1) A state office or official is designated to act as a single point of contact between a state process and all federal agencies, and

(2) That office or official transmits a State process recommendation, and identifies it as such, for a program selected under § 79.6.

(b)(1) The single point of contact is not obligated to transmit comments from state, areawide, regional, or local officials and entities if there is no state process recommendation.

(2) If a state process recommendation is transmitted by a single point of contact, all comments from state, areawide, regional, and local officials and entities that differ from it must also be transmitted.

(c) If a state has not established a process, or is unable to submit a state process recommendation, state, areawide, regional, and local officials and entities may submit comments to the Department.

34 CFR Subtitle A (7-1-03 Edition)

(d) If a program or activity is not selected for a state process, state, areawide, regional, and local officials and entities may submit comments to the Department. In addition, if a state process recommendation for a non-selected program or activity is transmitted to the Department by the single point of contact, the Secretary follows the procedures of § 79.10.

(e) The Secretary considers comments which do not constitute a state process recommendation submitted under these regulations and for which the Secretary is not required to apply the procedures of § 79.10 of this part, if those comments are provided by a single point of contact, or directly to the Department by a commenting party.

[48 FR 29166, June 24, 1983, as amended at 51 FR 20825, June 9, 1986]

§ 79.10 How does the Secretary make efforts to accommodate intergovernmental concerns?

(a) If a state process provides a state process recommendation to the Department through its single point of contact, the Secretary either:

(1) Accepts the recommendation;

(2) Reaches a mutually agreeable solution with the state process; or

(3) Provides the single point of contact with a written explanation of the decision in such form as the Secretary deems appropriate. The Secretary may also supplement the written explanation by providing the explanation to the single point of contact by telephone, other telecommunication, or other means.

(b) In any explanation under paragraph (a)(3) of this section, the Secretary informs the single point of contact that:

(1) The Department will not implement its decision for at least ten days after the single point of contact receives the explanation; or

(2) The Secretary has reviewed the decision and determined that, because of unusual circumstances, the waiting period of at least ten days is not feasible.

(c) For purposes of computing the waiting period under paragraph (b)(1)

of this section, a single point of contact is presumed to have received written notification 5 days after the date of mailing of the notification.

(Authority: E.O. 12372, Sec. 2)

§ 79.11 What are the Secretary's obligations in interstate situations?

(a) The Secretary is responsible for:

(1) Identifying proposed federal financial assistance that has an impact on interstate areas;

(2) Notifying appropriate officials and entities in states which have adopted a process and which select the Department's program or activity.

(3) Making efforts to identify and notify the affected state, areawide, regional, and local officials and entities in those states that have not adopted a process under the Order or do not select the Department's program or activity;

(4) Responding under § 79.10 if the Secretary receives a recommendation from a designated areawide agency transmitted by a single point of contact, in cases in which the review, coordination, and communication with the Department have been delegated.

(b) In an interstate situation subject to this section, the Secretary uses the procedures in § 79.10 if a state process provides a state process recommendation to the Department through a single point of contact.

(Authority: E.O. 12372, Sec. 2(e))

§ 79.12 How may a State simplify, consolidate, or substitute federally required State plans?

(a) As used in this section:

(1) *Simplify* means that a state may develop its own format, choose its own submission date, and select the planning period for a state plan.

(2) *Consolidate* means that a state may meet statutory and regulatory requirements by combining two or more plans into one document and that the state can select the format, submission date, and planning period for the consolidated plan.

(3) *Substitute* means that a state may use a plan or other document that it has developed for its own purposes to meet Federal requirements.

(b) If not inconsistent with law, a state may decide to try to simplify,

consolidate, or substitute federally required state plans without prior approval by the Secretary.

(c) The Secretary reviews each state plan that a state has simplified, consolidated, or substituted and accepts the plan only if its contents meet federal requirements.
